

# JAYFLEX Data Cable

## J01PK Series Miniature Black Flexible Cables

### Application:

Soft and flexible miniature black PVC cables for a wide variety of applications. Automotive harnessing, cable assembly, power, communication and control applications. Available in 0,22mm<sup>2</sup>, 0,3mm<sup>2</sup> and 0,4mm<sup>2</sup> conductor sizes, and in a variety of core combinations.

**Connect with:** LEMO S, E, B & K Series, D-Type, D-Tap and XLR connectors.

|               |             |
|---------------|-------------|
| Conductor:    | Insulation: |
| Tinned Copper | PVC         |

|                           |         |             |                     |
|---------------------------|---------|-------------|---------------------|
| Sheath:                   | Screen: | Voltage (V) | Temperature Rating: |
| Black PVC - UV Stabilized | None.   | 440         | 0°C to +60°C        |

| Jaycor Part Number | Conductor Size (mm <sup>2</sup> ) | Strandings (no./mm) | No. of cores | Nominal O.D. (mm) | Core Colours                      | Current Rating (A) |
